### AVEVA Partner Network for System Integrators and OEMs

Maybe you're a company looking for the first clients with AVEVA. Or perhaps you're already performing at the next level and want to ensure your expertise and value to customers keep pace with your growth. As part of the AVEVA Partner Network, you can help cover your customer's journey toward Digital Transformation and realize tangible benefits in the industrial software space.

### Program Benefits

AVEVA SI Certification Program provides System Integrators (and OEMs) with credentials that acknowledge their skills. Our solutions cover integrated process design, simulation, engineering, procurement, construction and handover processes, taking care of your customer's solution throughout the entire asset lifecycle. The three distinct membership levels – Registered, Certified and Endorsed SI or OEM Partner – give a clear path to greater benefits. Take a look at the brochure for more about benefits.
